

Instructions – Joining using a class code

1. If you don't have one already, create an account on Khan Academy.
 - Go to www.khanacademy.org to create an account.
2. Add me (xx) as your coach & join my class: xxx
 - Go to www.khanacademy.org/coaches
 - Enter xxxxx (not case sensitive) in the “Add a coach” box & click “Join the class”

3. From this “coach” screen, select “Algebra basics” subject in upper right drop down

Instructions – Getting started

Do the “warm-up” exercises.. Don’t worry, it’s not a test!

Mission warm-up
Khan Academy wants to help you learn at your level. Doing a few math problems helps us know where we can help. Give it a try!

Do all 6 problems

Graph the following equation:

$$y = -\frac{3}{4}x - 1$$

Answer
